## A MESSAGE FROM MRS TAI

Dear families,

It was great to see so many of you at the KS2 Book and Bagel event this week - the children loved having the opportunity to share stories and a bagel with you. We will be hosting more opportunities over the year for you to come in and work with your children so please watch this space.

Monday 10th February is the start of our "Keep Safe Week". Children will learn about how to keep themselves safe online and in real life. We are hoping to host some special visitors from the Emergency Services such as the fire brigade (if they're not off helping people in real emergencies!) to help us learn about keeping safe at home too. The children will gain a good understanding of common risks, how to spot abuse and ways to keep themselves safe during the week. A further letter regarding the NSPCC assembly we are hosting should have come to you this week so please check your inbox for more information.

We are also hosting a Nursery Open Afternoon for parents of children who are due to be 3 between now and August 2025 on Monday 10th February at 1:15pm. Please pop in for a tour of the unit and to meet the staff.

Have a wonderful weekend.

Mrs Tai

## MEDICINE

We know that some children don't feel 100% when they come in to school and may require some medicine during the day. At the start of the year, we asked you to update your Calpol/Piriton permission so that we can administer medicine during the day to your child if they are feeling unwell or experience a minor reaction. We will always seek verbal permission from you if we feel either medicine is needed. By being able to support children with Calpol/Piriton at school, we can help improve attendance and ultimately progress. Thanks for your support.
